

# Talent.

Here's everything you need to know about new Study Guider.

## Study Guider

**Manage & Assess your Talents Here.**

We bring together your objective and coding assessments and learning in one place.

Add questions to question Bank, create question paper from question banks. Create and assign the Exam (question paper) to your students.

Learning as well as Testing.

Manage it perfectly and build reports well using our Talent-Study Guider.

**Assessment starts with one word analytical skills.**

Objective level of assessment with (Fill in blanks) and without (Multiple Choice) options.

Yes or No Type, Multiple Choice Single Answer, Multiple Choice Many Answer, One Word.

We automate the evaluation.

## Coding

**Talent do involves programming skill assessments.**

Coding assessments with different levels of programs.

Programming Assessments with multiple test case based support

We support over 25 Programming Languages.

Well separated and analyzed Question Bank.

We automate the programming evaluation.

# That's it.
